## **National Concierge Association Raising Money for Houston Food Bank to benefit survivors of Hurricane Harvey**

Hurricane Harvey has devastated the Greater Houston area causing many without shelter, food, access to clean water, and no power. The National Concierge Association has set up a GoFundMe Account to raise funds to go to the Houston Food Bank. We invite all individuals, and organizations to contribute – or even match our total raised funds – so that we could help provide those in need with food and clean water.

The National Concierge Association was recently in Houston (August 15-20, 2017) for our 19<sup>th</sup> Annual Education Conference and we were privileged to get to know the Bayou City, and its wonderful people. The NCA has a new Greater Houston Network which has shown us true Texas Hospitality during our visit in Houston. Our thoughts well wishes are with not only our NCA Family, but their loved ones and the people of Houston and surrounding communities effected by Hurricane Harvey.

If you would like to match our total contributions, please email our Executive Vice President of Communications, Vanessa Hernandez, at: [nca.evpcommunications@gmail.com](mailto:nca.evpcommunications@gmail.com)
